Re: Municipal Solid Waste (MSW) Type V
El Paso County, Solid Waste Medical Waste Treatment Facility Registration Application;
Proposed Permit No. 40294
El Paso County, Texas

Dear Mr. Shadle:

The Rio Grande Council of Governments' staff has reviewed El Paso County's Municipal Solid Waste (MSW) Registration Application Permit No. 40294 submitted by OJD Engineering. The Council is providing favorable comment to the application and does not foresee any issues with the proposed MedCare Environmental Solutions, Inc. Medical Waste Treatment Facility.

Everything is in order. However, should something be missing please don't hesitate to contact Marisa Quintanilla, Regional Services Director at Marisaq@riocog.org or at 915.533.0998 x 119.

Sincerely,

Annette Gutierrez
Executive Director
