Subject: MedCare Medical Waste Facility

Good afternoon Josie,

Thank you for taking the time to visit with me this morning regarding the proposed medical waste facility located at 9119 Billy The Kid Street, El Paso, Texas 79907. I have attached the letter that was sent to Robert Bielek on January 16, 2018, as well as a location map for the facility. The Texas Commission on Environmental Quality is requesting a response from TXDOT to see if there are any issues with the proposed facility location.

Please feel free to contact me if you have any questions.

Thank you,
